SOUTECH White Label Website PARTNER Program

The Ability To Offer High Quality, Reliable Websites Dramatically Increases Your Value To Clients

Acquiring new customers is one of the main obstacles when trying to grow your business, but what if you could significantly grow your business and profits without having to find new clients and without having to do anymore work yourself.

That's exactly what our partners enjoy as part of our industry leading partner program.

- You already have a list of past and present clients
- You already have relationships with these people
- You have already built trust by offering great products and services to them

Now you can provide even more value and services, and help them create a professional online presence through our white label website partner program.

Many times all it takes is a simple email to your database to start the projects coming in.

Become A Partner TODAY!

ONLY N10,500(Get your own website and products deployed in 7-14 days)

And as designer and developers with up to a decade experience we can create complete custom websites with any functionality your clients need or want, no matter how big or small.

Each site is also built to be mobile responsive meaning it looks great in any size screen, which is a huge factor as the use of Smartphones and tablets for searching the web continues to increase.

WE HANDLE CUSTOMER SUPPORT AND COMMUNICATION UNDER YOUR BRAND (IF YOU PREFER)

One of the major benefits of working with **SOUTECH** is that we can confidently communicate with your clients, answer questions and provide fast over the phone or via email. This means you don't have to constantly be the middleman receiving and passing information between the client and us. If you would prefer to handle customer support in house we can provide full training and resources to get your started.

Also after becoming your clients website developer you'll soon discover that your relationships become stronger and your authority will grow as they see you can help with many areas of marketing and business.

TRAINING AND SUPPORT

We understand that the world of website development and online marketing might be completely new to you, and that's fine. We provide full training and support for our partners so you can confidently sell our services and know what you talking about.

If you have any questions just give us a call and ask, we are here to help any way that we can.

We provide step-by-step procedure guides, all the information you need to inform your clients and prepare a proposal, plus we also have great marketing material such as newsletters, sales articles, infomercials and presentations for you to use to bring in more business.
