

Guide on how to Purchase Domain name and Hosting from Soutech Hosting (<https://www.soutechhosting.com>)

1. First You will need to Register an Account on
Visit - <https://www.soutechhosting.com>

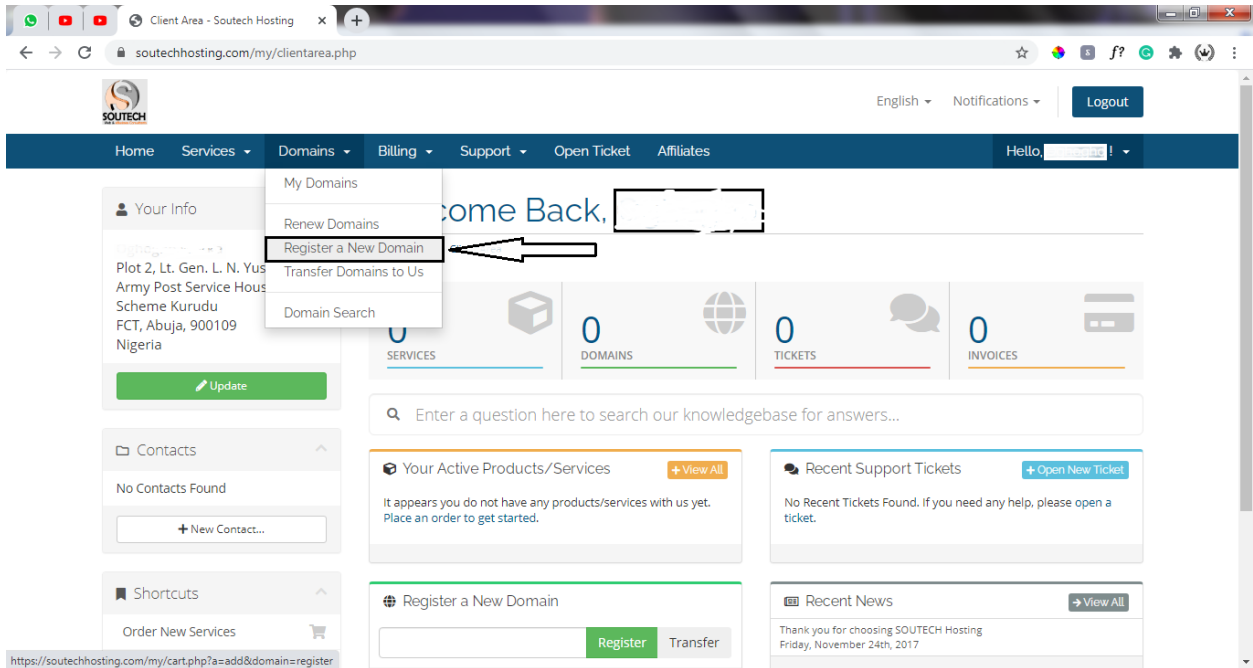

Next – We will all Register an Account

The screenshot shows the registration page for Soutech Hosting. The browser address bar displays "soutechhosting.com/my/register.php". The page header includes the Soutech logo, language options (English), and links for Login, Register, and View Cart. A navigation menu contains Home, Store, Announcements, Knowledgebase, Network Status, Affiliates, Contact Us, and Account. On the left, a sidebar titled "Already Registered?" offers Login and Lost Password Reset options. The main content area is titled "Register Create an account with ..." and includes a breadcrumb "Portal Home / Register". The "Personal Information" section contains fields for First Name, Last Name, Email Address, and Phone Number (with a dropdown for +234). The "Billing Address" section includes fields for Company Name (Optional), Street Address, Street Address 2, City, State, and Postcode.

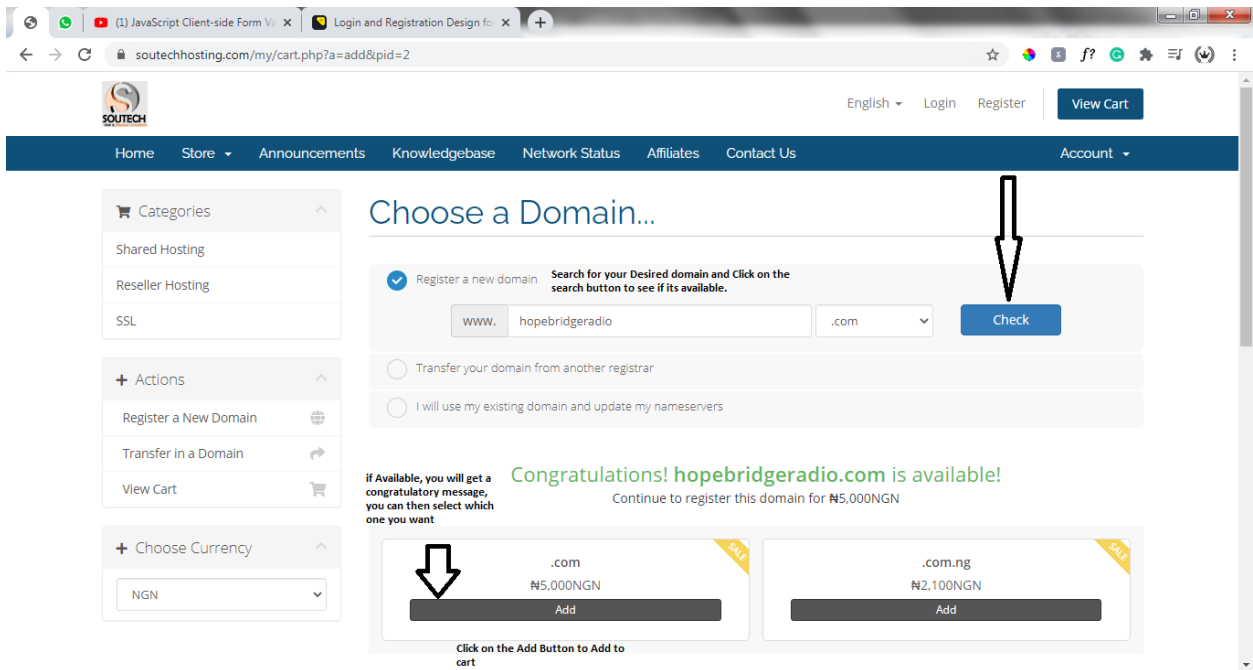

This screenshot shows the continuation of the registration process. The "Additional Required Information" section includes fields for Country (Nigeria), Tax ID (Optional), and Currency (NGN). The "Account Security" section features Password and Confirm Password fields, with a "Password Strength: Enter a Password" indicator below. A blue "Register" button is highlighted with a black box and a white arrow pointing to it. Below the button, it says "Powered by WHMCompleteSolution". The footer contains the copyright notice: "Copyright © 2020 Soutech Hosting. All Rights Reserved."

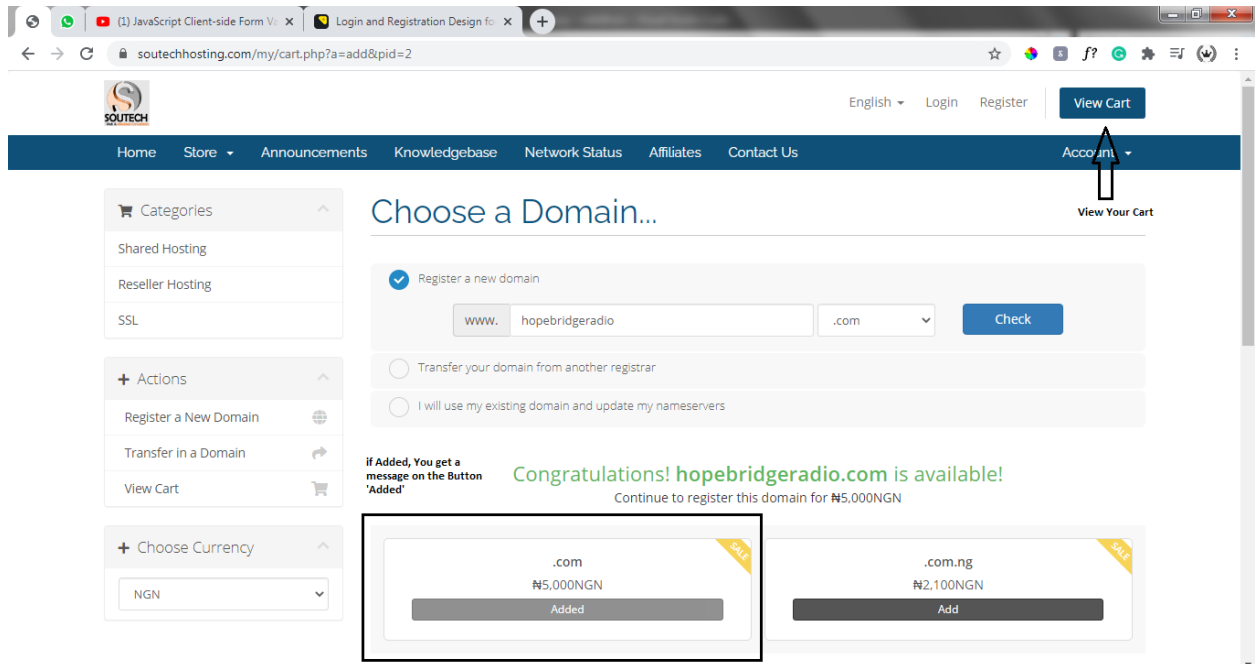

After Signing up, We will be redirected to our Account Dashboard.

2. From the Dashboard, We will need to register a new domain name *That's the domain name we want to purchase*

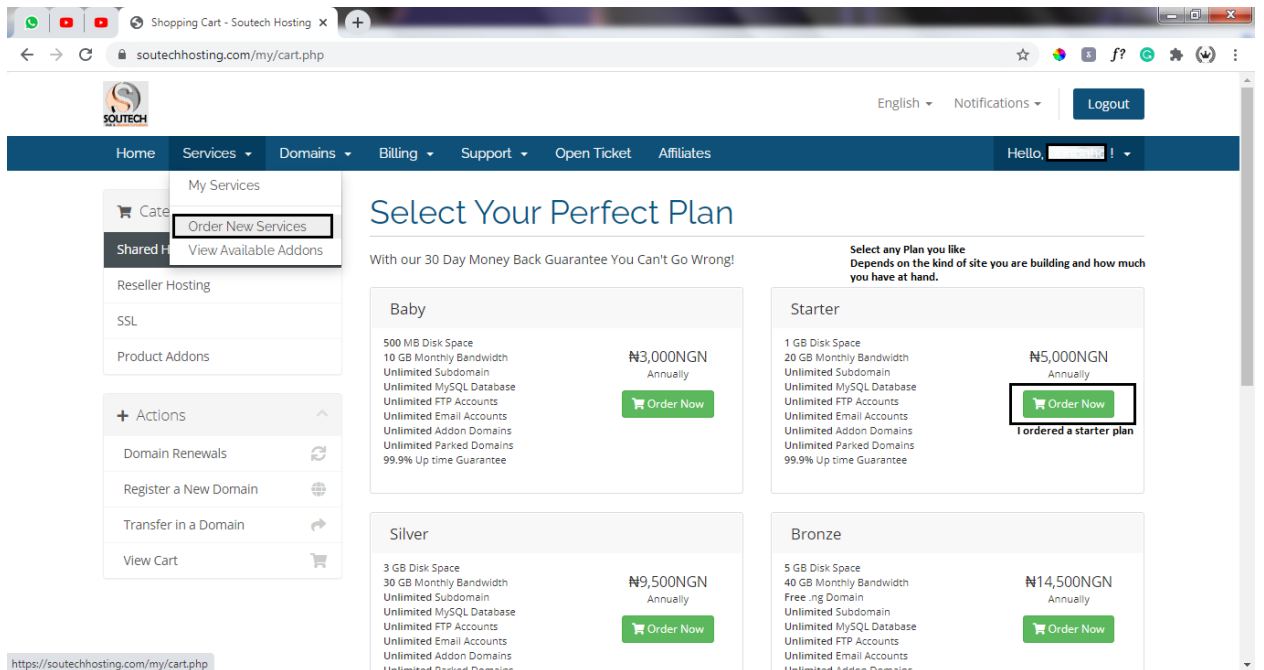

After Clicking, We are redirected to a page where we will be able to search for the Domain name we want to purchase to see if its available

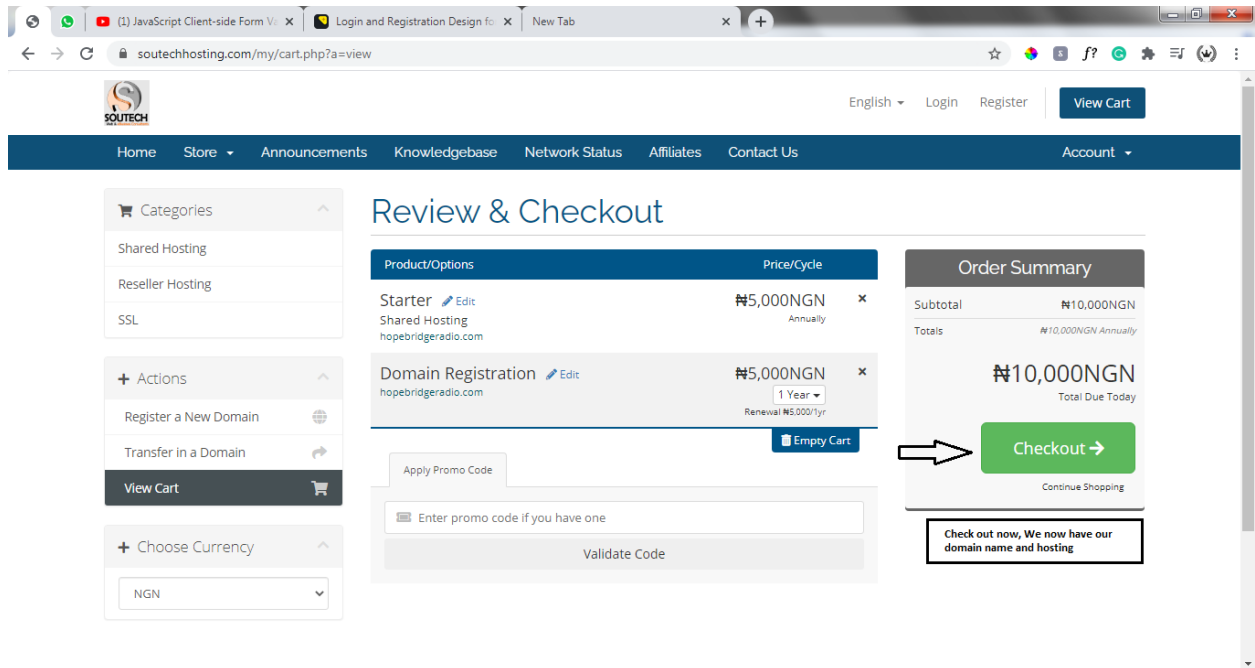

So we have Successfully Added the domain name to our cart

3. Next step is to add a hosting plan to our Cart too

Select a hosting plan depending on your budget and the type of website you are building. After ordering, We will be redirected to our Check out page.

4. Our Check out page with what we have ordered for

From there You can follow the on Screen instruction to purchase wither with your Paystack account or do a direct Bank Transfer. You will also get your receipt upon purchase.
