

Netcraft website information gathering

Using websites such as Netcraft.com can also help in searching for Operating systems that are in use by the targeted organizations. Go to the website www.netcraft.com and enter the target organization's official URL. Results in the figure below are hidden to avoid legal issues. Check out www.netcraft.com

The image shows the Netcraft website homepage. At the top, there is a navigation bar with links for Services, Solutions, News, Company, Resources, and a search icon. There are also buttons for 'Report Fraud' and 'Request Trial'. The main content area is divided into four sections: 'What's that site running?' with a search bar containing 'https://www.soutechventures.com'; 'Audited by Netcraft' with a security audit badge; 'Report Suspicious URLs' with a 'Report' button; and 'Subscribe & Follow' with social media icons for Twitter, Facebook, LinkedIn, and RSS. Below these sections is a blue banner with the text 'Related News'.

The image shows a detailed site report from Netcraft for the URL 'https://www.soutechventures.com'. The report is organized into two main sections: 'Background' and 'Network'. The 'Background' section includes fields for Site title, Date first seen, Site rank, Netcraft Risk Rating, Description, and Primary language. The 'Network' section includes fields for Site, Domain, Netblock Owner, and Nameserver. Social media sharing icons are visible at the top right of the report.
